Berlin, December 1, N. S.

COUNT Poniatowsky having had Conferences with the Miniſters, in which they gave him an Anſwer to the Repreſentations he had made, the ſaid Count took his Leave Yeſterday of the King, and ſet out this Morning on his Return to Dantzick. The Advices we receive from Warſaw and Dantzick contradict one another ſo much, that little Dependance can be made on them concerning the Affairs of Poland. The Letters from the firſt Place and Petersbourg take no manner of Notice of the Irruption made by the Tartars into Ukraine: Thoſe from Dantzick ſay, they have received there a Confirmation from three different Places of that Event; but as both Parties ſeem to agree that there was no Foundation for what has been publiſhed, of a Booty made by the new Regimentary of Lithuania, Potcey, we ſuſpend our Belief here at preſent of the News concerning the Tartars, till it is confirmed from other Quarters.

Copenhagen, Dec. 1, N. S. Their Daniſh Majeſties Birth-days (the Queen's on the 28th paſt, and the King's on the 30th,) were celebrated at Fridericksberg with Illuminations, Fireworks, and the uſual Entertainments.

Hague, Dec. 8, N. S. The States of Holland put off their Aſſembly from Saturday laſt to the 17th Inſtant. The States have conſented to the Inſtances of the Emperour, for borrowing two Millions of Florins of their Subjects upon the Revenues of Sileſia, and it is ſaid that the Loan is already filled up.

Paris, Dec. 9, N. S. It is ſaid a Courier arrived at Verſailles on the 7th Inſtant, with Letters of the 1ſt from the Camp before Pizzighitone, giving an Account, that M. de Boiſieux, and a German Officer, who had been ſent to Mantua to propoſe the Surrender of Pizzighitone, were returned, and brought Word, that it had been agreed to give up the Place to the French on the 8th Inſtant, N. S. if the ſame was not ſuccoured before that Day; in which Caſe the Garriſon, conſiſting of above 2500 Men, was to march out with all Marks of Honour, four Pieces of Cannon, and ſix covered Waggons, and was to be conducted to Mantua; where, when this Reinforcement arrives, there will be a Body of 10 or 11000 effective Men. There is likewiſe an Account of the Arrival of nine Spaniſh Battallions at Leghorn which ſailed lately from Alicant, but no Advice of the Departure of the grand Convoy from Barcelona.

Whitehall, Nov. 28, 1733.

Whereas on Monday the 5th of this Inſtant November, Chriſtopher Beſt, one of the Peace Officers of the Hamlet of Mile-End Old-Town, in the Pariſh of Stepney, in the County of Middleſex, with Mathew Davis, a Watchman, going their Rounds about Three of the Clock in the Morning, were violently aſſaulted by Four Perſons, (to whom they gave no Provocation) who cut the ſaid Chriſtopher Beſt over the Head in divers Places with a Hanger, and a Piſtol being fired at the ſame Time, ſhot the ſaid Mathew Davis into the Head, of which Wound he died about Thirty Hours after: His Majeſty, for the better diſcovering and bringing to Juſtice the Perſons concerned in the ſaid Murder, is pleaſed to promiſe his moſt gracious Pardon to any one of them who ſhall diſcover his Accomplice or Accomplices, ſo as he or they may be apprehended and convicted thereof. HARRINGTON.

Edm. Wright.
